

Financial Donations and Grants

Support for Archers who gain Representational Status for European or World Championships events and Juniors in the National Age Group and Recurve Conversion Academies.

1. Financial donations or grants from Surrey Archery will only be made when there is a financial surplus in the funds from the previous year.
2. Surrey Archery donations or grants for Senior/Junior archers will be for representation at the highest level, e.g. European or World Championship events, where significant costs for travel and expenses for non-funded events will be incurred.
3. Surrey Archery will consider applications for Junior archers for assistance with costs incurred as a result of international selection and/or selection to AGB National Age Group or Recurve Conversion Academies.
4. No donations or grants to any one individual should exceed £250 in any one financial year. Additionally, we will consider a one-off request due to exceptional circumstances up to the amount of £500 in any 3 year period
5. Surrey Archery will continue to give priority to supporting junior archers.
6. All requests should be made to Surrey Archery by the archer, or in the case of a junior by the parent / guardian, on the appropriate form and the request must be supported by the archer's club.
7. Surrey Archery, whilst not a last resort, will require evidence that the claimant has pursued other available channels of financial support.
8. Any donation or grant from Surrey Archery will be subject to the archer either contributing a report for the website, or a short talk on their experience for the benefit of other archers.
9. Surrey Archery regrets that there are limitations in the availability of funds and may not be able to assist every archer who requests assistance and meets the criteria set out above.
